

Missionaries Chris & Melda Palmer

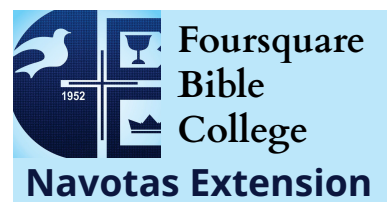

The Next Church Plant!

On November 10, Ramil and Edilyn will be receiving their pastor's credentials, and on November 15, they plan to launch a Sunday service in the new space we rented. It is still a bit small, holding only around 30 people, but it will be just what we need for the first 9 months while the church establishes itself and works to meet the requirements of becoming an official Foursquare Church.

Bible School Update

Chris will take over teaching at the Navotas Bible School extension we have been funding. This not only makes things more flexible, it significantly reduces the cost. All our current Bible students at the main Bible school will also complete the sponsored part of their education next May, and we are praying for future church planters to send next year. With this new format, we may be able to teach most of the necessary classes going forward.

Urgent!

We are critically low on funds and need your help to fully fund this church plant

Big changes with Greater Things Ministries

It has been amazing to see all that GTM has done through the years, from our first children's outreach in 2018 to reaching hundreds of youth, to local ministries in N.H., and now to our 3rd church plant! As missionaries to a foreign country, it has been a tremendous blessing to have generous supporters who partner with us to see God's kingdom advance.. With that said, we need to make some changes. We have continued operating GTM alongside partnering with FMI because it is more flexible in how funds can be used, but the costs now outweigh the benefits. On Dec. 31, we will fully transition Chris & Melda from GTM to FMI. **Before that can happen, we need your help. By November 30th, we need to raise \$4,000 in one-time donations to GTM and increase our monthly recurring donations by \$500 a month in FMI** (this does not include recurring donations to GTM that will be transferred to FMI). This will fully fund the church plant to self sustainability.

Use the QR Code or [give.foursquare.org/fundraiser/4318789](https://www.greaterthingsministries.org/donate) for FMI or www.greaterthingsministries.org/donate for one time donations. This will be our last fundraiser through GTM.
